Message

I am very much gratified and appreciative to the Almighty God who has spared our lives to reach to this day. He made us to come to the end of this academic year 2015/2016 successfully. He had made us to achieve what we thought was impossible, but is there anything to hide from God? I quote; Luke 1:37 for with God nothing is impossible. God to you be glory.

To Mr. Yudeh Sie Landford my son, the able young and innovative administrator, I bestow on you my heartfelt thanks and appreciation for conducting the affairs of this institution successfully. Under your administration you have brought our dream to realization by raising the school to senior high, established the computer system and a library. May God be your anchor.

To the administration, staff matron and security I do not count you as employees but as my children based upon the cordial working relationship exists between us. There is nothing that I could have done without you. Let us continue to work assiduously to bring the school to a nobler height.

To the parents and guardians, I also extend my thanks to you for having enrolled you children in this institution. In this institution our belief is until quality education is achieved let us support.

I am appealing to the government to help subsidize all the private schools and not only the school systems. Public school children, private school children and children of school systems are all children of the government of Liberia. Therefore, everyone has the equal right to quality education.

Mission Statement

MR. YUDEH SIE LANGFORD
**ADMINISTRATOR/
SUPERVISOR**

The late president Nelson Mandela states "education is the great engine of personal development. It is through education that the daughter of peasant can become a doctor; that the son of a mineworker can become the head of a mine; that the child of farm worker can become the president of a great nation".

It is against this background that the Bishop Matthew Norwood School prioritized "**education first and all others next**". We believe in the principle goal of education which is to create people who are capable of doing new things, not only of repeating what other generations have done.

Our philosophy is to inspire all students to develop marketable 21st century skill. These skills include reading, writing, mathematics, computer knowledge, collaboration and the integrity of being a responsible and productive citizen.

Our mission is to develop young men with active and creative minds, a sense of understanding and compassion for other, and the courage to act on their beliefs. We stress the total development of each child: spiritual, moral, intellectual, social, emotional and physical.

This community school recognizes that each child is an individual; that all children are creative; that all children need to succeed. Therefore, Bishop Matthew Norwood School respects the individual needs of children; fosters a caring and creative environment; and emphasizes the social, emotional, physical, intellectual development of each child.

Bishop Norwood School role is to help each child come into confident possession of his/her innate talents, improve the skills needed for success in secondary school, and establish values that will allow him/her to act with thoughtfulness and humanity.

We are committed to assure learning experiences that will assist our students to achieve their greatest potential to adapt and adjust to a diverse and ever changing society. We are dedicated to serve our students with understanding that diversity of gender, physical or mental ability, culture and background is the strength to be respected.

Each person affiliated with our school is a valued, needed member of the Bishop Matthew Norwood Viking community. Every Viking is responsible for promoting positive learning opportunities in a caring equitable manner. This environment will enable all to develop full their academic, emotional, social and physical potential and, thus be empowered to assume responsible citizenship in our local, national and global communities. To this end, we value achievement, respect and concern for others, affiliation and pride, diversity, equity and opportunity,

TO GOD BE THE GLORY

*To God be the glory, great things he hath done; so loved he the
World that he gave us his son, who yielded his life and atonement
for sin, and opened the life gate that all may go in.*

Chorus:

Praise the Lord, praise the Lord, let the earth hear his voice!

Praise the Lord; praise the Lord let the people rejoice!

O come to the Father, thru Jesus the son,

And give him the glory, great things He had done.

O perfect redemption, the purchase of blood, to every believer

The promise of God; the vilest offender, who truly believes

That moment from Jesus a pardon receives.

Ref.

Great things he hath taught us great things he hath done,

And great our rejoicing thru Jesus the son; but purer, and higher

And greater will be, our wonder, our victory,

When, Jesus we see.

Ref.

CONGRATULATIONS
