MESSAGE

I am very much gratified and appreciative to the Almighty God who had spared our lives to reach to this day. He made us to come to the end of this academic year 2020/2021 successfully. He had made us to achieve what we thought was impossible, but is there anything too hard for God? I quote; Luke 1:37 for with God nothing is impossible. Let God be glorified.

To **Mr. Yudeh Sie Landford** my son, the able young and innovative supervisor, I bestow on you my heartfelt thanks and appreciation for conducting the affairs of this institution successfully. Under your administration you have brought our dream to realization by raising the school to senior high, established the modern computer lab, a library and multiple court. May God be your anchor.

To the Administration, Staff, Matron and Security, I do not count you as employees but as my children based upon the cordial working relationship exist between us. There is nothing that I could have done without you. Let us continue to work assiduously to bring the school to a nobler height.

To the parents and guardians, I also extend my thanks to you for having enrolled your children in this institution. In this institution our belief is until quality education is achieved let us support.

I am appealing to the government to help subsidize all the private schools and not only the school systems. Public school children, private school children and children of school systems are all children of the government of Liberia; therefore, everyone has the equal right to quality education.

Thanks.

MR. YUDEH SIE LANGFORD
ADMINISTRATOR/SUPERVISOR MISSION
+STATEMENT

The late President Nelson Mandela states "Education is the greatest engine of personal development. It is through Education that the daughter of peasant can become a doctor; that the son of a mineworker can become the head of a mine; that the child of farm worker can become the president of a great nation".

It is against this background that the Bishop Matthew Norwood School prioritized *education first above others*. We believe in the principle goal of education which is to create people who are capable of doing new things, not only of repeating what other generations have done.

Our philosophy is to inspire all students to develop marketable 21st century skills. These skills include reading, writing, mathematics, computer knowledge, collaboration and the integrity of being a responsible and productive citizen.

Our mission is to develop young men with active and creative minds, a sense of understanding and compassion for other, and the courage to act on their beliefs. We stress the total development of each child: spiritual, moral, intellectual, social, emotional and physical.

This community school recognizes that each child is an individual; that all children are creative; that all children need to succeed. Therefore, Bishop Matthew Norwood School respects the individual needs of children; fosters a caring and creative environment; and emphasizes the social, emotional, physical, intellectual development of each child.

Bishop Norwood School role is to help each child come into confident possession of his/her innate talents, improve the skills needed for success in secondary school, and establish values that will allow him/her to act with thoughtfulness and humanity.

We are committed to assure learning experiences that will assist our students to achieve their greatest potential to adapt and adjust to a diverse and ever changing society. We are dedicated to serve our students with understanding that diversity of gender, physical or mental ability, culture and background is the strength to be respected.

Each person affiliated with our school is a valued, needed member of the Bishop Matthew Norwood Viking Community. Every Viking is responsible for promoting positive learning opportunities in a caring equitable manner. This environment will enable all to develop full their academic, emotional, social and physical potential and, thus be empowered to assume responsible citizenship in our local, national and global communities. To this end, we value achievement, respect and concern for others, affiliation and pride, diversity, equity and opportunity, communication, safety and order, collaboration, responsibility and accountability, and trust as cornerstones of our learning community.

Rev. Wilmont Barlingar Jr.
Chairman
PTA Board

**WORD OF
APPRECIATION AND
MOTIVATION FROM
THE
PTA CHAIRMAN**

Let me take this time to extend my thanks and appreciation to all parents and guardians who stood firmly and financially to get your kids graduating today. This is a historical and unforgettable event in the lives of the kids.

Remember, parents and guardians our children will be an agent of change for the betterment, if we continue to foster our financial muscles in educating them.

Tomorrow, we will be the recipient of this worthy cost. Don't be wearied, despite, their attitudes let motivate them. Myself is riding in the same boat you are riding.

Remember, children let arrow we shoot into the future to substitute us, when we are old.

Let me take this time to also extend my thanks and appreciations to the Administration of this noble institution, who stood firmly to make this academic year a success through God's grace. Bravo to our Administrative staff. May God guides you in wisdom, patience and understanding.

To all my teachers, Bravo, you have done exceptionally well, despite the challenges. Continue your good works, life is sowing and reaping, your good works will one day speak for you.
